Happy New Year!!

Welcome back everyone! We hope that your holidays were wonderful and we wish all of our students and families the best in 2011.

All of our families should have received some special guest passes in the mail to share with friends that have shown an interest in Tae Kwon Do. These are a great way for a friend or family member to experience Tae Kwon Do.

Due to the snow days that we have experienced, we will be extending the expiration date on the gift certificates until February 28, 2011.

If you have any questions please feel free to see your school manager!

If you have not received these please let someone at the front desk know, it may be that we have your address down incorrectly.

2011
World Class
Martial Arts Festival
Saturday, March 26th

Dear Tae Kwon Do Students and Families,

On March 26th, 2011 we will be hosting our 3rd Annual Tae Kwon Do Spring Festival. We choose to call this event a festival, because it places all of the aspects of Tae Kwon Do under one roof. Not only do we include customary events such as forms, board breaking, and sparring, but more innovative ones, such as Family Form competition and Black Belt Team form competition. Virtually every member of our Tae Kwon Do family can find an event to suit their interests.

We have always believed that Tae Kwon Do competition brings numerous benefits to our students. They work harder in preparation of the event. They are driven to give their best effort while in the ring. And, win or lose, they can learn from the experience and even make new friends with their fellow competitors. They gain experience and memories. We look forward to seeing your family at this year's festival. Together, we will share the Tae Kwon Do spirit that makes all of our events so special.

Good Luck!

Sincerely,

Master Kim and Mrs. Kim

Dear Master Kim's World Class Tae Kwon Do Students and Families,

Master Kim and I are extremely proud of the hard work and dedication shown by our previous and current Black Belt students. It is hard to believe that our 18th Black Belt team, "Team R", will be testing soon. In honor of everyone's accomplishments, we are developing a feature wall which will showcase all of our black belt testing teams. However, we need your help!

We are in need of team pictures from Team A to Q. If you have any pictures, please email them to Sarah Everman at severman9625@charter.net (please indicate "TKD pictures" in the subject line). You may also bring in hard copies of pictures. These will be scanned and returned to you.

Thank you so much for your help with this project!

Sincerely,

Master Jun Kyu Kim
